Prof. Dr. Adel M. Dakhil
President University of Misan

Prof. Dr. Mohammed Kadhim Hamad
Scientific Assistant President University of Misan

Prof. Dr. Buraq Talib AL_Mosawi
Dean of College of Education University of Misan

Conference Management Committee

Prof. Dr. Buraq Talib AL_Mosawi
Dean of College of Education University of Misan

Prof. Dr. Rana Sabeeh Abood
Depyty Dean , College of Education University of Misan

Dr. Taj Aldeen Naser Abd Ali
Mathamatics Dep , College of Basic Education University of Misan

Dr. Saadaldeen Rashid Ahmed
Computer Science , Bayan University , Erbil , Kurdistan , Iraq

Lec. Abbas Abd Alhussein Haddad
Head of Computer Science Department.
College of Education, University of Misan

Dr.Mohammed Thakir Mahmood
Department of Computer Engineering Techniques,
College of Engineering, University of Al Maarif

Asst. Prof. Dr. Dr. Ahmed Jabbar Al_Janabi
Department of Computer Engineering Techmiques
College of Rgineering, University of Kufa , Iraq

Topics of Conference

Information Technology (IT)

Mathematics
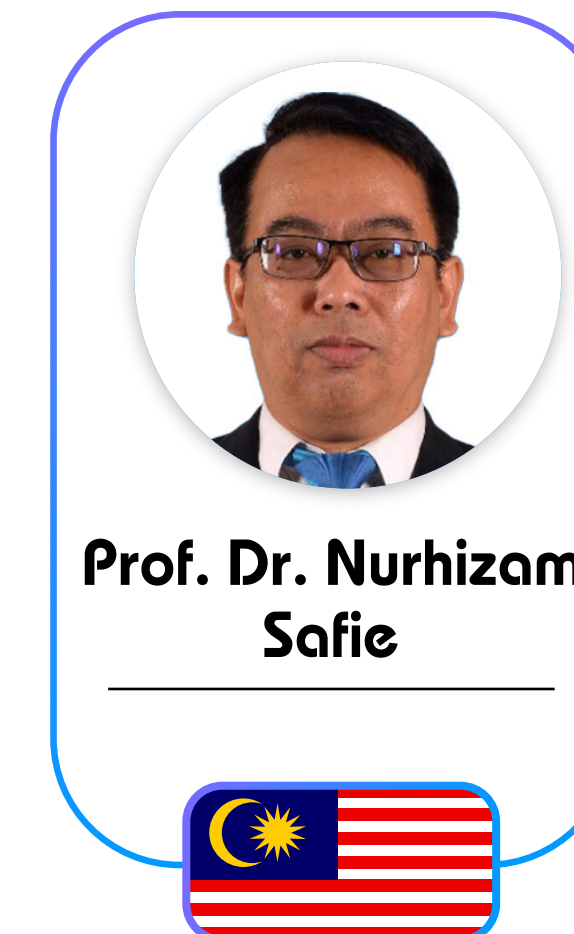

Chemistry

Biology

Physics

Important Dates

- Call for Paper : 29 September 2024
- Deadline for the Submission : 10 December 2024
- Notification of Acceptance : 15 December 2024
- Deadline for Paying Fees : 18 December 2024
- Conference Date : 24_25 December 2024

Publishing Types

Accepted papers in the fields of computer science and mathematics will be submitted for publication in the Systems Engineering and Management (ISEM Springer Series), with ISSN: E_ISSN 3004_9598 and P_ISSN 3004_958X. Publications in this series will be submitted for indexing in Web of Science (WoS) and Scopus.

For papers in physics, chemistry, and topics related to the Bologna Process, accepted works will be published under the American Institute of Physics (AIP), and these publications will also be submitted for indexing in Scopus and Web of Science (WoS).

Publication Fees

Regular
ISEM springer series : 350$
American institute of physics (AIP) : 300$

Student
ISEM springer series : 325$
American institute of physics (AIP) : 275$

Listener: 25 IQ

About the FAICT

FAICT 2024 aims to showcase the latest advancements in artificial intelligence, computational technologies, pure mathematics, and pure sciences. This conference will also cover other fields such as mathematics, physics, chemistry, biology, and related areas. It serves as a platform for researchers, practitioners, and industry leaders to come together, share insights, and foster collaboration. Participants will explore innovative solutions to current challenges while discussing future trends and developments in these critical fields. Join us for an enriching experience that promises to inspire and drive progress in AI and computational technologies.
